

*Investment and export potential of
Oleksandriia territorial community*

Ladies and Gentlemen!

Oleksandriia territorial community is happy to welcome everyone who is interested in its modern market infrastructure, products of large-scale industrial enterprises, and the experience of leading industries. Every day we strive to achieve maximum success to improve the development of the community, strengthening its economic potential, changing everyday life for the better, contributing to increase the close cooperation with potential partners, providing access to stable and secure business, creation and implementation of new investment and infrastructure projects, social projects.

We will be sincerely glad to see you on the territory of the Oleksandriia territorial community, we guarantee support, openness of the authorities, transparent rules of business and support of each investment project.

Sincerely, Mayor

Serhii KUZMENKO

General Information

Oleksandriia territorial community is located in the central part of Ukraine and is part of the Kirovohrad region. It has a favorable geographical location - the intersection of two major highways and two railroads. The center of the Oleksandriia territorial community is the city of Oleksandriia, located in the east of the region, 75 km from the city of Kropyvnytskyi. The community also includes the following settlements:

village Vydne
village Haiok
village Holovkivka
village Holovkivske
village Zvenyhorodka
village Ivanivka
village Izmailivka
village Korolivka
village Marto-Ivanivka
village Oleksandriiske
village Oleksandro-Stepanivka
village Pishchanyi brid
village Pustelnykove

According to the rating "Ukrainian Competitiveness Index (ICM) 2021" presented by the USAID KEY Program, together with «Info Sapiens», the Institute for Economic Research and Policy Consulting - the city of Oleksandriia was among the 10 cities with the most favorable business climate.

Area of the territorial community: 260.3

Population of the community: 86677

Level of budget subsidies: 16.9%

Why it is profitable to invest in the Oleksandriia territorial community

- ✓ **Active position of the authorities on community development.**
- ✓ **Favorable geographical location. Two European highways, the E-50 and E-584, pass through the community, connecting the city with other regions of Ukraine and other countries.**
- ✓ **Skilled workforce, enterprising youth and the public.**
- ✓ **Transparent and open mechanisms for obtaining permitting procedures, registration of land plots and communal property.**

A community of inexhaustible opportunities Natural resources

- ✓ Lignite - current and actual explored capacity of 207.5 million tons
- ✓ Graphite deposits
- ✓ Deposits of clay, granite and sand
- ✓ Underground reserves of drinking water
- ✓ Underground sources of radon water
- ✓ Network of vacant land plots
- ✓ Gneisses
- ✓ Loam
- ✓ Quartzites

Food Industry
