

INFORMATION
of the vacant land plots offered for the implementation of an investment project

Investment offer Greenfield №1

Localization	Street name	Dnepropetrovsk Highway, 3
	District (in city), terrain	Zavods'kyi district, city Oleksandriia of Kirovohrad region
	Geographic coordinates	48.677403, 33.144290 Cadastral number 3510300000:07:223:0001
Territory Properties	Maximum available area (as one plot) [hectares]	2,0355
	Type of use	For maintenance of buildings and structures
	Opportunities for development (short description)	The plot is in the area of the industrial zone, suitable for the construction of a new industrial enterprise, the object of alternative energy. In available: the possibility to connect to the water supply and electricity systems, paved driveways.
Property Information	Approximate price of land (UAH / m ²)	261,81
	Owner (s)	communal property
	Presence of actual conceptual design (Yes / No)	No
	Zoning	Yes
Characteristics of land (plots)	The type of soil on the plot (hectares)	Sandy 2,0356
	Difference in ground level (m)	0,2
	Use of land at the time being	Not used
	Contamination of groundwater and subsoil waters (Yes / No)	No
	level subsoilwater (m)	
	Whether have geological explorations been conducted plot (Yes / No)	No
	Risk of flooding or landslides (Yes / No)	No
	Underground obstacles (Yes / No)	No
	Terrestrial and aerial obstacles (Yes / No)	Yes, power line
	Environmental restrictions (Yes / No)	No
Buildings or other structures on the plot (Yes / No)	No	
Transport position	Access roads to the plot (Yes / No) (view and width of available road)	Yes

	Nearest motorway / state significance roads (km)	Kyiv-Dnipro highway, 0.5 km
	Sea and river ports within a radius of 200 km	Svitlovodsk city (65 km), river container terminal - the city of Dnipro (169 km)
	rail gauges (km)	1,5 km
	Railway access roads (km)	-
	The acting nearest airport (km)	International airports - Kropivnitsky city (75 km), city Kryvyi Rih (99.8 km)
	Nearest seaport (km)	Seaport - the city of Mykolaiv (252 km)
Available infrastructure	Electrification (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	200
	voltage of electric current (kVt)	100
	Permissible electric capacity (MW)	-
	Gasification (Yes / No)	No
	connection point (distance from the boundary of the site) (m)	2000
	indicator calorific value (MJ / Nm ³)	-
	pipe diameter (mm)	-
	Water supply (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	500
	permissible throughput (m ³ / 24 g)	-
	Sewage treatment plant (Yes / No)	No
	Telecommunications (Yes / No)	No
	connection point (distance from the boundary of the site) (m)	-
	Estimated cost of supplying engineering networks (indicate the costs of supplying the necessary communications)	1000,0 thousand UAH
Opportunities of local support	The possibility of reducing the rental rate for land at the request of the executive committee, subject to the project on a public-private partnership	
Other actual comments	-	
Contact person	Head of the Economy Department of the City Council Rostyslav Cherevashko phone: +38 (05235) 70725, upreko.ol@ukr.net	

Investment offer Greenfield №2

Localization	Street name	Dnepropetrovsk Highway, 6
	District (in city), terrain	city Oleksandriia of Kirovohrad region

	Geographic coordinates	48.677283, 33.147162 Cadastral number 3510300000:07:226:0002
Territory Properties	Maximum available area (as one plot) [hectares]	0,4651
	Type of use	For maintenance of buildings and structures
	Opportunities for development (short description)	The plot is in the area of the industrial zone, suitable for the construction of a new industrial enterprise, the object of alternative energy. In available: the possibility to connect to the water supply and electricity systems, paved driveways.
Property Information	Approximate price of land (UAH / m ²)	261,81
	Owner (s)	Communal property
	Presence of actual conceptual design (Yes / No)	No
	Zoning	Yes
Characteristics of land (plots)	The type of soil on the plot (hectares)	Sandy 0,4651
	Difference in ground level (m)	0,2
	Use of land at the time being	Not used

Investment offer Greenfield №3

Localization	Street name	Dnepropetrovsk Highway
	District (in city), terrain	city Oleksandriia of Kirovohrad region
	Geographic coordinates	48.677957, 33.148023
	Cadastral number	3510300000:07:223:0002
Territory Properties	Maximum available area (as one plot) [hectares]	0,4809
	Type of use	For maintenance of buildings and structures
	Opportunities for development	The plot is in the suitable for the

	(short description)	construction of a new industrial enterprise
Property Information	Approximate price of land (UAH / m ²)	277,58
	Owner (s)	Communal property
	Presence of actual conceptual design (Yes / No)	No
	Zoning	Yes
Characteristics of land (plots)	The type of soil on the plot (hectares)	Sandy 0,4809
	Difference in ground level (m)	1
	Use of land at the time being	Not used
	Contamination of groundwater and subsoil waters (Yes / No)	No
	level subsoilwater (m)	
	Whether have geological explorations been conducted plot (Yes / No)	No
	Risk of flooding or landslides (Yes / No)	No
	Underground obstacles (Yes / No)	No
	Terrestrial and aerial obstacles (Yes / No)	No
	Environmental restrictions (Yes / No)	No
	Buildings or other structures on the plot (Yes / No)	No
Transport position	Access roads to the plot (Yes / No) (view and width of available road)	Dirt road 2,5 m
	Nearest motorway / state significance roads (km)	Brest-Makhachkala (E50), 1,86 km
	Sea and river ports within a radius of 200 km	Svitlovodsk city (65 km), river container terminal - the city of Dnipro (169 km)
	rail gauges (km)	1,5 km
	Railway access roads (km)	-
	The acting nearest airport (km)	International airports - Kropivnitsky city (75 km), city Kryvyi Rih (99.8 km)
	Nearest seaport (km)	Seaport - the city of Mykolaiv (252 km)
Available infrastructure	Electrification (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	300
	voltage of electric current (kVt)	100
	Permissible electric capacity (MW)	-
	Gasification (Yes / No)	No

	connection point (distance from the boundary of the site) (m)	-
	indicator calorific value (MJ / Nm ³)	-
	pipe diameter (mm)	-
	Water supply (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	200
	permissible throughput (m ³ / 24 g)	-
	Sewage treatment plant (Yes / No)	No
	Telecommunications (Yes / No)	-
	connection point (distance from the boundary of the site) (m)	-
	Estimated cost of supplying engineering networks (indicate the costs of supplying the necessary communications)	500,0 thousand UAH
Opportunities of local support	The possibility of reducing the rental rate for land at the request of the executive committee, subject to the project on a public-private partnership	
Other actual comments	-	
Contact person	Head of the Economy Department of the City Council Rostyslav Cherevashko phone: +38 (05235) 70725, upreko.ol@ukr.net	

Investment offer Greenfield №4

Localization	Street name	Robitnycha Street
	District (in city), terrain	Baidakivsky district, city Oleksandriia of Kirovohrad region
	Geographic coordinates	48.652634, 33.060023 Cadastral number 3510300000:15:764:0001
Territory Properties	Maximum available area (as one plot) [hectares]	111,2936
	Type of use	For secondary processing of the tailings
	Opportunities for development (short description)	The plot is in the suitable for the construction of a new industrial enterprise, recycling enterprises of an ash deposit (Ash is used in the production of building materials). In available: the possibility to connect to the water supply and electricity systems, paved driveways.
Property	Approximate price of land (UAH / m ²)	226,66

Information	Owner (s)	Communal property
	Presence of actual conceptual design (Yes / No)	No
	Zoning	Yes
Characteristics of land (plots)	The type of soil on the plot (hectares)	Ash-sandy, 111.2936
	Difference in ground level (m)	1
	Use of land at the time being	Not used
	Contamination of groundwater and subsoil waters (Yes / No)	No
	level subsoilwater (m)	-
	Whether have geological explorations been conducted plot (Yes / No)	No
	Risk of flooding or landslides (Yes / No)	No
	Underground obstacles (Yes / No)	No
	Terrestrial and aerial obstacles (Yes / No)	No
	Environmental restrictions (Yes / No)	No
	Buildings or other structures on the plot (Yes / No)	No
Transport position	Access roads to the plot (Yes / No) (view and width of available road)	Asphalted, 3 m
	Nearest motorway / state significance roads (km)	T 12 05, Kropyvnytskyi - Olexandriya - 0.371 km
	Sea and river ports within a radius of 200 km	Svitlovodsk city (65 km), river container terminal - the city of Dnipro (169 km)
	rail gauges (km)	1,5 km
	Railway access roads (km)	3 km
	The acting nearest airport (km)	international airports - Kropivnitsky city (75 km), city Kryvyi Rih (99.8 km)
	Nearest seaport (km)	Seaport - the city of Mykolaiv (252 km)
Available infrastructure	Electrification (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	200
	voltage of electric current (kVt)	-
	Permissible electric capacity (MW)	-
	Gasification (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	200
	indicator calorific value (MJ /	-

	Nm3)	
	pipe diameter (mm)	-
	Water supply (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	-
	permissible throughput (m ³ / 24 g)	-
	Sewage treatment plant (Yes / No)	-
	Telecommunications (Yes / No)	-
	connection point (distance from the boundary of the site) (m)	-
	Estimated cost of supplying engineering networks (indicate the costs of supplying the necessary communications)	1 000,0 thousand UAH
Opportunities of local support	The possibility of reducing the rental rate for land at the request of the executive committee, subject to the project on a public-private partnership	
Other actual comments	-	
Contact person	Head of the Economy Department of the City Council Rostyslav Cherevashko phone: +38 (05235) 70725, upreko.ol@ukr.net	

Investment offer Greenfield № 5

Localization	Street name	Energetikov Street, 3A
	District (in city), terrain	city Oleksandriia of Kirovohrad region
	Geographic coordinates	48.649856, 33.070893
	Cadastral number	3510300000:14:636:0030
Territory Properties	Maximum available area (as one plot) [hectares]	2,8254
	Type of use	For placement and operation of the main, auxiliary and auxiliary buildings and constructions by the enterprises connected with subsoil use
	Opportunities for development (short description)	The land plot is suitable for the construction of a new industrial enterprise
Property Information	Approximate price of land (UAH / m ²)	260,66
	Owner (s)	Communal property
	Presence of actual conceptual design (Yes / No)	No
	Zoning	Yes
Characteristics of land (plots)	The type of soil on the plot (hectares)	Sandy, 2,8254
	Difference in ground level (m)	1
	Use of land at the time being	Not used

	Contamination of groundwater and subsoil waters (Yes / No)	No
	level subsoilwater (m)	-
	Whether have geological explorations been conducted plot (Yes / No)	No
	Risk of flooding or landslides (Yes / No)	No
	Underground obstacles (Yes / No)	No
	Terrestrial and aerial obstacles (Yes / No)	No
	Environmental restrictions (Yes / No)	No
	Buildings or other structures on the plot (Yes / No)	No
Transport position	Access roads to the plot (Yes / No) (view and width of available road)	Asphalted, 2,5m
	Nearest motorway / state significance roads (km)	T 12 05, Kropyvnytskyi - Olexandriya – 1,88 km
	Sea and river ports within a radius of 200 km	Svitlovodsk city (65 km), river container terminal - the city of Dnipro (169 km)
	rail gauges (km)	8 km
	Railway access roads (km)	-
	The acting nearest airport (km)	International airports - Kropivnitsky city (75 km), city Kryvyi Rih (99.8 km)
	Nearest seaport (km)	Seaport - the city of Mykolaiv (252 km)
Available infrastructure	Electrification (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	6kV - 120m 35kV - in the territory
	voltage of electric current (kVt)	6kV - 35kV
	Permissible electric capacity (MW)	-
	Gasification (Yes / No)	No
	connection point (distance from the boundary of the site) (m)	-
	indicator calorific value (MJ / Nm ³)	-
	pipe diameter (mm)	-
	Water supply (Yes / No)	No
	connection point (distance from the boundary of the site) (m)	-
	permissible throughput (m ³ / 24 g)	-
	Sewage treatment plant (Yes / No)	No
	Telecommunications (Yes / No)	-
connection point (distance from the boundary of the site) (m)	-	
	Estimated cost of supplying	1000,0 thousand UAH

	engineering networks (indicate the costs of supplying the necessary communications)	
Opportunities of local support	The possibility of reducing the rental rate for land at the request of the executive committee, subject to the project on a public-private partnership	
Other actual comments	-

Investment offer Greenfield № 6

Localization	Street name	Zvenigorodskoe Highway
	District (in city), terrain	city Oleksandriya of Kirovograd region
	Geographic coordinates	48.641128, 33.126853 Cadastral number 3510300000:17:615:0001
Territory Properties	Maximum available area (as one plot) [hectares]	4,9921
	Type of use	For placement and operation of main, auxiliary buildings and structures of technical infrastructure (production and distribution of gas, supply of steam and hot water, collection, purification and distribution of water)
	Opportunities for development (short description)	The land plot is suitable for the construction of a new industrial enterprise
Property Information	Approximate price of land (UAH / m ²)	268,92
	Owner (s)	Communal property
	Presence of actual conceptual design (Yes / No)	No
	Zoning	Yes
Characteristics of land (plots)	The type of soil on the plot (hectares)	Sandy, 4,9921
	Difference in ground level (m)	1
	Use of land at the time being	Not used
	Contamination of groundwater and subsoil waters (Yes / No)	No
	level subsoilwater (m)	-
	Whether have geological explorations been conducted plot (Yes / No)	No
	Risk of flooding or landslides (Yes / No)	No

	Underground obstacles (Yes / No)	No
	Terrestrial and aerial obstacles (Yes / No)	No
	Environmental restrictions (Yes / No)	No
	Buildings or other structures on the plot (Yes / No)	-
Transport position	Access roads to the plot (Yes / No) (view and width of available road)	Asphalted, 2.5 m,
	Nearest motorway / state significance roads (km)	-
	Sea and river ports within a radius of 200 km	Svitlovodsk city (65 km), river container terminal - the city of Dnipro (169 km)
	rail gauges (km)	1 km
	Railway access roads (km)	-
	The acting nearest airport (km)	International airports - Kropivnitsky city (75 km), city Kryvyi Rih (99.8 km)
	Nearest seaport (km)	Seaport - the city of Mykolaiv (252 km)
Available infrastructure	Electrification (Yes / No)	Yes
	connection point (distance from the boundary of the site) (m)	570 m
	voltage of electric current (kVt)	6kV
	Permissible electric capacity (MW)	-
	Gasification (Yes / No)	No
	connection point (distance from the boundary of the site) (m)	-
	indicator calorific value (MJ / Nm ³)	-
	pipe diameter (mm)	-
	Water supply (Yes / No)	No
	connection point (distance from the boundary of the site) (m)	390
	permissible throughput (m ³ / 24 g)	-
	Sewage treatment plant (Yes / No)	No
	Telecommunications (Yes / No)	-
connection point (distance from the boundary of the site) (m)	-	
	Estimated cost of supplying engineering networks (indicate the costs of supplying the necessary communications)	1000,0 thousand UAH
Opportunities of local support	Possibility to consider the issue of reducing the rent for land at the request of the executive committee	
Other actual comments	-	
Contact person	Head of the Economy Department of the City Council
